Roanoke Leaves Out For California Loaded.

COLUMBIA SAILS TOMORROW

Steamer Thomas L. Wand Due In—Gerald C. To Go Up For Repairs—Antelope Chartered—W. S. Porter Off For the South—Odds and Ends.

The British steamship Tottenham is due in this port on Friday to load part cargo of lumber at the Tongue Point mills, after which it is expected she will go on to Portland, for the balance, the whole for Asiatic delivery. It is a great pity that some arrangement is not made for a deeper and permanent channel at the Hume Mill docks and at other loading points in this harbor, as the big carriers of this sort might then be loaded to their capacity here, to the convenience of the shipper, shipper and the port and people here.

The schooner Antelope has been chartered to the Wheeler Lumber Company and will be engaged this season in transporting lumber from the Nehalem plant, railroad ties, bridge timbers, etc., to such points as are contiguous to the line of construction for the Pacific Railroad & Navigation Company, Wakefield & Company having the contract to furnish this class of materials for the enterprise.

G. B. Blessing, of this city, formerly cashier for the O. R. & N. Company, has accepted the position of agent for the Kamm line steamers at this port and will assume his new duties on the first of May. Mr. Blessing is well qualified for the position and has a wide acquaintance among shippers and river and ocean masters and men.

The steamship Roanoke arrived down yesterday morning loaded with people and freight for the California coast. Among her passengers from this city were the following: C. E. Whitworth, H. Sara, C. J. Savoli, Miss E. A. Sikanen, for Eureka; E. H. Partridge and A. Harvey, for San Francisco; and T. Simmons, for San Pedro.

It is said that the British steamship

African Monarch, now loading coal in Australia for San Francisco, will be ordered to this port for a huge cargo of lumber when she shall have arrived at the Bay City.

The steamship Columbia is due down from Portland tomorrow afternoon on her way to San Francisco, and will leave the O. R. & N. piers at 5 o'clock for sea.

The motor schooner Evie will load railroad supplies out of this port and sail in a few days for Tillamook Bay points.

The motor schooner Gerald C. has arrived in from Siletz, and will go on to the ways for a general overhauling before she leaves out again.

The steamer Thomas L. Wand is due from San Francisco. Captain Hartwick is still in command of this fine vessel.

The schooner Mabel Gale is loading lumber at the Simpson mills at Knappa, for the California coast.

The steamer Excelsior arrived in from San Francisco yesterday and went on to the metropolis at once.

The steamer W. S. Porter arrived from Portland yesterday and went directly to sea and San Francisco.

The schooner Della has reached port from the Nestucca with her customary load of dairy merchandise.

Bitten By A Spider.

Through blood poisoning caused by a spider bite, John Washington, of Bosqueville, Texas, would have lost his leg, which became a mass of running sores, had he not been persuaded to try Bucklen's Arnica Salve. He writes: "The first application relieved, and four boxes healed all the sores." Heals every sore. 25c. at Chas. Rogers, Druggist.

IT MAKES A DIFFERENCE.

It makes all the difference in the world to the convivial man where, and what, he drinks. Most men desire beauty and cleanliness, and handsome appointments in the saloon they patronize regularly, as well as the essential pre-requisite of genuine wines and liquors that are served to them. And these things are so particularly and properly conspicuous at Otto Sund's elegant resort, the Commercial, at No. 509 on the street of that name that they account thoroughly for the fixed and splendid custom he enjoys. There is nothing allowed to pass his counter but the best and choicest in every department of indulgence, and the service behind it all, is the most pleasing and satisfying in the city.

Doing Business Again.

"When my friends thought I was about to take leave of this world, on account of indigestion, nervousness and general debility," writes A. A. Chisholm, Treadwell, N. Y., "and when it looked as if there was no hope left, I was persuaded to try Electric Bitters, and I rejoice to say that they are curing me. I am now doing business again as of old, and a most gallant day." Best tonic medicine on earth. Guaranteed by Chas. Rogers, Druggist. 50 c.

FOR SERVICE AND CONVENIENCE

The prime essential of a business establishment is to have it open for the purposes of business when it is needed; not closed by custom nor any rule of hours. This essential attaches to the drug store of Dr. C. E. Linton at 185 Eleventh street, which is open every one of the 24 hours in the day, and with a stock that meets every requirement likely to arise in that line. It is one of the exceptions and is thoroughly endorsed.

For The Little People.

Every parent in this city should investigate, at once, the new and appreciable shoe for the youngsters, at Charles V. Brown's Commercial street house. They are called the "E. C. Scuffer" and are the very epitome of good wear and real comfort. They are going like wild-fire and the kids themselves are after them because they look so "comfy."

A Guaranteed Presentment.

The moving-picture presentment of the Burns-O'Brien ring fight at Los Angeles in November last, as put on at the Waldorf in this city last night and now occupying the boards there this week, and which is heavily advertised in this issue, is a guaranteed exhibit for exact and truthful detail in every particular of the full number of rounds.
